

Hot Gospel Concert
St Johns Rosmead Street Hull HU9 2TD
SUNDAY 4th April 7.30 pm
FREE EASTER CONCERT – All welcome!

The Hot Gospel Choir recently showcased their talents for the producers of the **Voice In A Million** project and was selected as featured performers for a huge arena-scale concert at the **London O2 Arena** on **January 28th 2010**. **The Choir sang several songs and the response has been amazing after performing to a 12000 celebrity filled audience** The aim was to raise awareness for the need for adoptive parents in the UK in association with the British Association for Adoption & Fostering (BAAF). We are pleased to announce that the feedback has been amazing and Hot Gospel profile has been raised to a National level. "We are proud to represent Hull on a National level," comments Helen Garnett Choir Director.

The choir was also featured on BBC1 breakfast and world service December 2009 to an audience of millions as part of the national Sing Hallelujah Event. This adds to their numerous radio interviews and Look North Appearances. The choir has also many national projects in the pipeline.

The Hot Gospel Community Choir is on its way to becoming a truly amazing gospel choir. The choir holds a maximum of 25 members, and they have performed their brand of inspirational music at some of the most prestigious events in the region: the Wilberforce celebrations, Whitby Gospel Music Festival, City Hall – Hull, The Hull Freedom Festival, Dove House Light a Candle Concert, to name but a few. The choir is non-profit making and has raised thousands for charity over the years and continues to make this their focus. They are also recording our own album in March 2010.

The Hot Gospel Community Choir is a **Hull-based Community Choir**, which consists of numerous members and musicians. The choir was established in 2004 when five of its members got together in East Yorkshire to sing gospel songs. From there it has grown to what it is today and is still gathering many fans and followers. The group now meet in Hull St Johns Drypool to ring their praises and polish their performance, and join the many outstanding gospel choirs around the country including **Last Choir Standing** performer ACM Gospel Choir, London Community Gospel Choir and The Voices of Praise.

As a huge thank you to our home and community for their continued support tickets for this event are free - please arrive early to get a seat. All donations are greatly received to go towards the cost of staging this wonderful event.
